Supplemental Type Certificate

Number SR01136SE

This certificate, issued to **Aerometals**
 3920 Sandstone Drive
 El Dorado Hills, CA 95762

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 6 of the Civil Aviation Regulations.

Original Product—Type Certificate Number: H3WE
 Make: MDHI
 Model: 369A, HS, HM, HE, D, E, FF and 500N

Description of the Type Design Change: Fabrication of AMC AM369A6200-45, -46, -57, -58 Landing Gear Fillet Fairings and AM369H6200-73, and -74 Landing Gear Fairing Guides in accordance with in accordance with AMC Master Drawing List No. MDL-AMC-003, Revision A, dated August 29, 2002 or later Federal Aviation Administration (FAA) approved revision; and installation of this assembly in accordance with the Maintenance Manual for the rotorcraft, document number CSP-HMI-2, Revision 21, or later FAA approved revision. This modification must be maintained in accordance with the MDHI Service and Maintenance instructions, Document number CSP-HMI-2, Section 32-10-00 (Models 369D, E, FF and 500N) or CSP-H-2, Section 6 (Models 369A, HM, HS, HE).

Limitations and Conditions: Approval of this change in type design applies to the MDHI model rotorcraft listed above. This approval should not be extended to other rotorcraft of these models on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that helicopter. A copy of this Certificate and the Service and Maintenance Instructions must be maintained as part of the permanent records of the modified helicopter.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until sur-rendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: June 18, 2002

Date reissued: March 1, 2005

Date of issuance: October 21, 2002

Date amended:
